

Declaration of consent

I/we herewith give our consent for all data which I/we make available to the Center of Sealing Technologies (in the following named CST), or to the Fachhochschule Münster in connection with publication on the website www.gasketdata.org ¹

Kind of data ²: Datasheets and/or other Certificates, _____

Author: _____

to be published on the Document Server of the website www.gasketdata.org, owned by CST (Fachhochschule Münster). The datasheets will be provided electronically and can be read worldwide, downloaded as “pdf-file”, printed and used.

I/We hereby give CST our assurance that I/we have clarified the legal position regarding copy and licensing rights.

All information concerning copyright and legal references to the products concerned is deposited on my/our website. Other relevant regulatory frameworks can be found in the disclaimer on the website www.gasketdata.org.

Sole liability for the content of his/their publications lies with the author/authors. In the case of more than one manufacturer the signer gives the declaration of consent in the name of the whole team of authors.

(family name, first name)

_____, _____
(location, date)

(signature)

¹ In the case of alterations, e.g. insertions or deletions, the CST must be informed immediately in writing.

² Please supply relevant details such as datasheets, licenses or other certificates in handwriting.
